# A Message from the Pastor

Pastor Don Perks  
[wumcpas1a@ameritech.net](mailto:wumcpas1a@ameritech.net)  
440.942.9068

Dear Family,

This morning I was working on my article for the Broadcaster when a warning signal came up on my computer screen. The warning was for a update that the software needed to continue to function as it was designed to function. I proceeded to click on the button that would allow the computer to download and then install the necessary action so that my computer would work as it was designed to do.

That action got me thinking. Does my life have warning signals? And does my life have built in updates that would allow me to function as I have been designed to function by my Creator?

Well the short answer is YES. But I'm a preacher so there are no short answers. Think about this; who is the one who created you? Did He create you to succeed or fail? Did He have a purpose in mind for you when He put you together? Did He build into you all that is necessary for you to succeed?

What are the warning lights in our lives that remind us maybe we need to update? For me, when I feel tired from stress, that is a warning that I need to rest and reconnect with God, my Creator. When I pay attention to that God renews me (an update if you like) and I am better prepared to face the struggles of life.

I believe there are a number of warning signals that come our way. The loss of a love one or friend always causes me to take a look at my life and evaluate if I need to update my life in my connection to my Creator, God. The wonderful thing about being a Christian is that God has put into us His Holy Spirit who sends us signals to warn us when it is time for an update, a renewal in our connection.

This month we will celebrate Easter, the ultimate victory over death and sin by our Lord Jesus Christ. Maybe it is time for you to pay attention to some of the warning signs going off in your life by the Holy Spirit. Updates are available anytime. But Easter is a great time to renew your connection with your Creator.

Hope to see you in church, Pastor Don

## Let's Talk About Lent By Pastor Hazel

I was born and raised a Methodist, and over the years I have realized that many Protestants have dismissed some of the very important parts of our Church's history because it sounded "too Roman Catholic." Have you ever felt like that? This was especially true for me during the season of Lent when my Roman Catholic friends were talking about "giving up something for Lent" and "getting ashes on Ash Wednesday." What is that all about?

At Christmas we celebrate that God came to "dwell among us" as Jesus Christ. At Easter we need to consider just what that cost Him for our sake! At the heart of our faith as believers is our participation in the life, suffering, death, resurrection and ascension of Jesus Christ as Lord. Sometimes, I fear we lose sight of the depth of meaning of those words. Lent, the season of forty days before Easter, is not giving up something, but rather the season to take upon ourselves a sense of that mystery of God-among-us. "Giving up something" is a way to keep foremost in our minds the need to explore the meaning of the lifelong process of being transformed into the life and holiness of our Lord. Sometimes we may need to think about "giving up something" in order to "make room" in our lives for appropriating the life of Christ.

Lent is a special opportunity to recall our mortality and put aside the sins and failures of our past. On Ash Wednesday we use ashes as a sign of mortality and repentance. This has a long history in Jewish and Christian worship. Traditionally, these words are spoken as we receive ashes on our foreheads: "Remember that you are dust, and to dust you shall return."

These words remind us of the fact that we are only mortals. It is only because of Christ's work on the cross that it is possible, to have eternal life, or as Paul puts it, our "perishable bodies to put on imperishability and our mortal bodies to put on immortality." (Romans 8:11)

Thanks to our Roman Catholic brothers and sisters we have not lost this tradition of the early Christians of acknowledging the importance of preparing our hearts for the unspeakably precious gift we celebrate at Easter. Lent is a time for us to realize how much we need a Savior!

## Welcoming Ministry Events

Our first Come and See Brunch for 2017, sponsored by the Welcoming Ministry team, was held on February 19th. Many volunteers helped to make this a successful event, and Judy Yackin was a special blessing to us with her help and guidance. Our guests included newcomers and long time members of WUMC. A delicious brunch was served, introductions were made, and, after Pastor Don's brief presentation, questions were asked and answered.

Our next Come and See Brunch is scheduled for June 25th. More details will follow, BUT you don't have to wait until then if you have questions about WUMC. You may contact the Church office or come to our Meet the Pastors and More gatherings on the 4th Sunday of each month at 10:00 AM. No signup is necessary. Just grab a hot cup of coffee and a snack in the Parlor and join us in Fellowship Hall for an opportunity to meet others and learn more about WUMC.

## Sunday School Teacher Meeting

There will be a mandatory meeting for ALL Sunday Morning Class Leaders (for all ages) on Sunday, April 23<sup>rd</sup> at 12:30 p.m. in Room 3. Lunch will be provided. Contact the Director of Christian Education with any questions.

## FUN WITH SEUSS

We had 7 families that attended our first annual Seuss-A-Palooza. The children and their families donated 42 books to our Mission Minded Family Event in conjunction with End 68 Hours of Hunger. The books will be given to students in schools in Lake County, including in our neighborhood schools in Willoughby-Eastlake.

Children, alongside their parents, read some of our favorite Dr. Seuss books as well as some new ones they had not read before. They went fishing for Red Fish, Blue Fish, created their own Thing 1 or Thing 2 hats and enjoyed some green eggs and ham and “Lorax” clementines. Most importantly, the families learned through His word that God created each one of them uniquely and they can depend on God when they are frightened. Additional photos can be viewed on the W.U.M.C. FaithatHome Facebook page.

## FAMILY GAME DAY

**Sunday, April 2nd - 1-3 p.m.**

**Family Game Day**

Often we are so busy in our lives and on our technology that we forget to enjoy and share the simple joys in life like gathering around the table to play a game. Unplug from technology and plug into family. Revisit your childhood and build memories with our children of today through smiles and laughter of playing a board games together. Join us as Faith Families come together for an afternoon of fellowshiping and fun! Bring your favorite board game and a snack to share as we spend an afternoon together. We will bring a few of our family classic board games and will provide the beverages

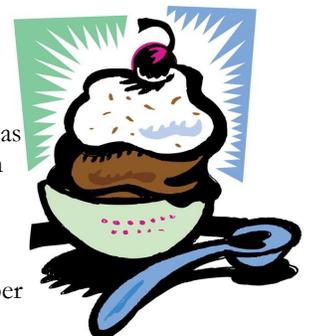

As a reminder Faith Family events are open to people of ALL ages.  
WE ARE ALL MEMBERS OF THE FAMILY OF GOD.

## ICE CREAM SEDER

**Sunday, April 9th - 12:30—1:15 p.m.**

The Passover meal is all about remembering: remembering God and what He has done for His people.

As the meal unfolds, Jewish families have the wonderful opportunity to share with one another, young and old, about God’s power and care. But for Christians, a Passover meal (Seder) can be intimidating. Where do you find the foods and spices? How do you pronounce those Hebrew words? Faith Families has decided to connect our church family by hosting an Ice Cream Seder on Sunday, April 9<sup>th</sup> at 12:30 p.m. in the Fellowship Hall. The experience will last approximately 30-45 minutes. As a reminder, Faith Family events are open to people of ALL ages – WE ARE ALL MEMBERS OF THE FAMILY OF GOD.

To ensure we have enough ice cream and supplies, please sign up on the Connection Card with the number attending or contact the Christian Education office by Wednesday, April 5<sup>th</sup>.
