An Attitude of Gratitude

By Chris Carrasco

As the trees proudly display their oranges, reds, and golds, family plans are being made for Thanksgiving, and sweaters emerge from their summer hibernation, we know that Fall is in full swing. Autumn always heightens my sense of thankfulness: for the beauty of the earth, for family, for the unconditional love of God in Jesus Christ, for a dynamic church family, for dear friends, and for the basics of life, such as food, shelter, clothing, health and the ability to pay the bills.

Perhaps more than other years, I am especially grateful for the basics of life. As our three year partnership with the Judeo Christian Outreach Center (JCOC) begins, more and more stories from their clients touch my heart. How I take a bed to sleep in at night for granted when so many long for such comfort right here in Virginia Beach! What a blessing it is to have keys to my own place which others can only dream about. But I cannot be content with just being thankful. I cannot watch my fellow human beings lack the basics of life and simply pray, "Thank you God I am not like them." (I think there's a biblical story to that effect!)

So in the spirit of Thanksgiving and Thanks Living, I want my attitude of gratitude this year to motivate me to action. The Serve Ministry Team has given me, and all of us, an incredible opportunity to live out our thankfulness to God. Stewardship is just another way of saying, "THANK YOU!" to a God who has given us so much. A letter with a pledge card has been sent out to offer you the opportunity to say, "Thank you," and to partner in what God is doing through this church in the community. Being good stewards of what has been entrusted to us includes offering a percentage of those blessings back to God so God can bless more people through us. And for the next three years, one of the groups of people we will bless with this offering is the clients at JCOC. We have stepped out in faith to commit \$20,000 per year for three years so that our neighbors in Virginia Beach can be fed, given life skills, and housed temporarily and permanently. The mission statement of JCOC is "To empower homeless families and individuals to recover from crisis situations and return to being self-supporting, productive, and independent members of our community." I can't imagine a better way to say, "Thank you," to God than to offer what we have been blessed with so that others can be blessed.

But Stewardship is about more than just the giving of our resources. We have also committed at least 25 volunteers each year to feeding, clothing, and resourcing those who are less fortunate. Some have said in our culture, time is more important than money. Offering a few hours a month to show God thanks, to be good stewards of our time, and to love our neighbors as ourselves is part of our discipleship journey. JCOC has so many opportunities for all ages and all abilities. Serve will make sure you have the chance to sign up for volunteer activities in the future.

Fall, and November in particular, is about saying, “THANKS!” to a God who has blessed us with so much. Pray over your pledge this year and what percentage of your income adequately expresses your thanks-giving to God. Pray over the volunteer opportunities at JCOC and how you can thank God by loving others. I am proud to be part of a church that is using its financial and human resources to make such an impact in our community. I will be raising my pledge to support these new efforts and look forward to signing up to volunteer with my family so that God can use us to be a blessing to others. I hope you will consider doing the same.

November Sermons

In November, our focus is stewardship and discipleship as we pray about our gifts to God for 2018 and dedicate them to God’s work in this world. We will thank God the Sunday before Thanksgiving and then celebrate Christ as the King of our lives and this world. Come worship, give, dedicate, give thanks, and praise our heavenly ruler.

ADVENT POINSETTIAS

A December tradition in our church during the Advent season includes beautiful Poinsettias in our sanctuary, on a stand holding nearly 100 live poinsettias in a tree shape. Red plants on a tiered platform create a tree and white plants in the center form a cross. Over 100 plants are used to make this design. Please help make this possible by purchasing plant(s) in your name or dedicating them to a loved one. Plants may be taken home following the 11:00 p.m. service on Christmas Eve.

Plants this year are \$5.00 each and order forms are in the Connection Point or in the Church Office. Deadline to order is December 8th.

A team is needed to help them thrive by watering them weekly. Would you be willing to give one hour towards this effort? Contact Ann Butler, ajek1@cox.net or Carol Bibbs, cbibbs9377@aol.com.

2017 NEW CONSECRATION SUNDAY

As a reminder, KGPC will celebrate our 15th annual New Consecration Sunday on Sunday, November 12, 2017, at both of our regular services at 8:45 and 11:00. Please make plans to attend one of the Worship services that day. We ask that you begin to prayerfully consider your response to this call, and submit your pledge card during Worship that day.

The Lord provides everything we have; this event is our annual opportunity to make our financial and service pledges to honor God. Our primary objective is for every KGPC member to tangibly strengthen your relationship with our Savior, Jesus Christ throughout this spiritual process.

Our detailed schedule includes the following events, please mark your calendars:

*November 5 – Special Guest Speaker

*November 12 – New Consecration Sunday, bring your pledge cards forward

Judeo-Christian Outreach Center

JCOC DAY – NOVEMBER 5, 2017

KGPC will have a special Judeo Christian Outreach Center (JCOC) Day on Sunday, November 5 at both Worship Services.

The Executive Director of JCOC, Mr. Todd Walker, will be speaking to our congregation about how KGPC's commitment will help them fulfill their mission. Please visit the Fellowship Hall in between our two Worship Services November 5th to meet Todd and his team! We will have information available about how you can become personally involved, as we begin our new journey with JCOC over the next 3 years.

We request that KGPC members and friends bring needed household items to church that day, and drop them off in the Connection Point. Below is a list of the vital household items that JCOC needs for the people they support in Virginia Beach:

- √ Toothpaste & toothbrushes
- √ Shampoo & Conditioner
- √ Deodorant
- √ Bar Soap
- √ Razors & shaving cream
- √ Hairbrushes & Combs
- √ Feminine Hygiene products
- √ Toilet Paper
- √ Paper towels
- √ Towels & washcloths
- √ Twin Bedding
- √ Pillows
- √ Blankets
- √ Bus Passes / or Cash contribution to purchase Bus Passes

In addition, we ask for 2 or 3 members with pickup trucks please be available to help move the items donated to JCOC after the 11:00 a.m. Worship Service November 5. JCOC is located about 15 minutes from KGPC, near the intersection of Virginia Beach Blvd. and Birdneck Road.

We pray that our congregation will respond to God's call for these items to support JCOC. The Serve Ministry offers blessings and thanks for your support!

The Serve team has created some awesome shirts to celebrate our new partnership with JCOC and to remind us of our vision and our calling to serve our brothers and sisters in need.

Shirts are \$15 with \$7 going to support the JCOC transitional housing program. These super soft shirts tend to run a bit small, so you may want to order a size up if you're deciding between two sizes.

If you would like to order a shirt, please text or email your order (including your name and shirt size) to:

Suzy Farley (757-620-1912 or suzyfarley@yahoo.com) by November 12.

Loving God and Loving Others
Serving God through Serving Others

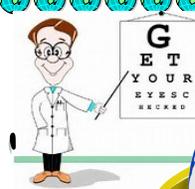

The Serve ministry is organizing a team to help a good cause and run the Santa Claus Shuffle! This is a great holiday themed 5k with a family focus - there's even a 1 mile fun run for kids! It supports Tidewater Youth Services helping at-risk and court-involved youth in the area. For more information, contact Audrey Malagon, amalagon@vwu.edu, or visit santaclausshuffle.org to sign up. Be sure to choose Team KGPC!

You can support the KGPC team through the link on our Facebook page as well.

- The school supply drive this year brought in over 233 items plus 2 completely stuffed backpacks! Supplementing school supplies takes a burden off teachers who so often pay for supplies out of their own pockets. Thank you so much!
- \$141 was collected during our special Peacemaking Offering on Oct 1st. The money went to Samaritan House, as October is Domestic Violence Awareness Month. Information is available in the Connection Point.

Bubba's Momma's Worst Estate Planning Mistakes with Karen Fortier, Esq. This presentation includes great information about Wills, Trusts, probate, elder law issues and what to do if you have loved ones who have special needs and even loved ones who are troublemakers (like in prison, for example). There is a lot of humor, good true stories of the consequences of certain mistakes and a lot of encouragement for people who might be intimidated by the idea of doing wills, powers of attorney and so on. Learn from Bubba and his Momma!

God is in the Manger

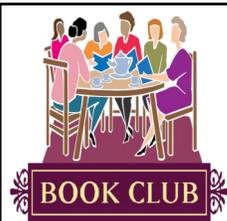

November 12-December 3 9:55-10:45 a.m. in the Parlor

Join us for a pre-Advent study which will start a little before Advent to prepare us for the upcoming season. We will be using Dietrich Bonhoeffer's book *God is in the Manger*.

"There are only two places where the powerful and great in this world lose their courage, tremble in the depths of their souls, and become truly afraid. These are the manger and the cross of Jesus Christ."

These stirring words are among forty devotions that guide and inspire readers as they move thematically through the weeks of Advent and Christmas, from waiting and mystery to redemption, incarnation, and joy. Supplemented by an informative introduction, short excerpts from Bonhoeffer's letters, and passages from his Christmas sermons, these daily devotions are timeless and moving reminders of the true gift of Christmas.

Jacque Camlet & Susan Stoke, Team Leaders

Care would like to thank the many hands that came together to help with Oktoberfest! The food prepared by Chef Kyle and Je'von was a hit! Special thanks to Don Tillman and family for donating the oysters which were prepared by Tyler Jones and Jim Otto. Everyone's efforts were appreciated. Imagine the tiny village of Bethlehem 2000 years ago. Register your family with the census taker at the gate. Walk the crowded streets of the bustling market place. Talk with the vendors and sample their wares. Hear a story at the well. Worship with the Rabbi in the synagogue. Beware of the Roman soldiers, patrolling the streets. Watch over the animals with the shepherds under the winter night sky. Listen to the villagers whisper about seeing angels and the birth of a very special baby. Experience whatever miracles may occur. But, don't plan to stay, because there is no room at the inn!

New Preschool Playground

Plans are currently being made for KGPC to welcome Trinity Early Childhood School into the fold! A seven member task force has been meeting for a year now in order to make the transition from the current site of Thalia to King's Grant. The preschool has a strong forty year reputation and we look forward to incorporating it into our facility.

The first order of business which you will notice in November is the construction of a new playground behind/ adjacent to the present one. This new area will be more well-suited for three and four year olds and will include a fence for safety reasons. It will be for use of KGPC as well.

Next spring will come some inside construction as new shelving/storage space in a few of the classrooms which will be used by the school. All work should be completed well before the scheduled September 2018 opening for the preschool at KGPC. Any moving or construction expenses incurred will be paid for by the current preschool fund.

We look forward to sharing more news with you as time goes on but in the meantime if anyone has any questions please feel free to ask a member of the task team.

Fall 2017 News from Tidewater Pastoral Counseling Services

is pleased to announce a one day training that helps to equip those in the faith community to minister to those impacted by suicidal desperation. This includes those who are currently considering suicide; those who are anxious that a family member or friend might be considering suicide; those that have lost a loved one to suicide; and those who have experienced suicidal thinking in the past but are no longer. Because of the significant stigma and taboo that surrounds this topic; we have many members in our community, and faith communities in particular who often suffer in silence. By attending this workshop you can not only learn more about suicidal desperation, but also possibly help to save a life.

Soul Shop is a one-day workshop that will be offered on Thurs., **November 9th** at Great Bridge United Methodist Church in Chesapeake. The workshop will be lead by Rev. Michelle Snyder, Executive Director of the agency and former Executive Director of the Pittsburgh Pastoral Counseling Institute. Rev. Snyder is an extremely skilled presenter and expert on this topic, especially as it relates to those of us in the faith community. The workshop has been endorsed by the American Foundation for Suicide Prevention. The cost for the day of training will be \$40 per person, which includes breakfast pastries and coffee; lunch; and an afternoon snack. Register at the following website:
